Glyphosate: Check of completeness of the supplementary dossier for renewal of approval under Commission Implementing Regulation (EU) No 844/2012 – Glyphosate Renewal Group (GRG) reply to the letter received from AGG on 18-August-2020 and submission of further requested elements to add to the dossier on glyphosate

Dear [REDACTED], dear AGG,

On 18-August-2020, the AGG competent authorities informed the GRG that the glyphosate supplementary dossier contains all the elements provided for in Article 7 of Regulation (EU) No 844/2012 and is found to be admissible.

In the same letter, the AGG confirmed to the GRG timelines to submit additional requested information according to Article 11(5) of Regulation (EU) No 844/2012.

The GRG is submitting these elements by the deadline of 01-September-2020 to the AGG competent authorities.

Details of the submitted elements are described in the table in **Appendix 1** to this letter, connecting the submitted data to the section 2 table of AGG's 18-August-2020 letter.

We would be grateful if you could confirm the receipt of the submission.
